# POS Software for Grocery Stores and Supermarkets

**acceo  
logivision**

Join more  
than 8,000  
satisfied  
customers!

## Easy. Fast. Secure.

- Process sales quickly with a personalized POS screen
- Manage your inventory in one or multiple locations
- Offer loyalty rewards and keep track of gift cards
- Control operations based on user-level permissions
- Analyze what's happening in your store at anytime
- Speed up transaction entry with integrated payment processing (compatible with all major processors)
